

Four capabilities that let you get even more from your RingCentral service

When it comes to added value, your RingCentral Office® service really delivers. Here are four capabilities that come included at no extra charge.

1. MOBILITY

Whether it's on your laptop, tablet, or smartphone, RingCentral lets you work wherever you want.

Desktop and mobile apps: Your RingCentral number follows you everywhere—no call forwarding required.

Business SMS: Send and receive text messages from your business phone number.

Call Flip: Seamlessly transfer an ongoing call between your desk phone, mobile, and softphone.

Fax: Send and receive faxes from multiple sources with advanced updates and logs.

2. CONFERENCING

Strengthen your customer engagement and lead-generation activities.

Audio conferencing: Host an audio conference with up to 1,000 attendees.

Video conferencing: Hold high-definition video meetings using your computer, smartphone, or tablet.

Screen sharing: Share files, websites, applications, presentations, and more from desktop or mobile.
