

RingCentral 2021 customer success metrics

Deploying cloud communications and contact center solutions is not just good for improving connections, it is great for driving value across the enterprise. Tapping into our global customer community, RingCentral surveyed RingCentral customers to learn the business value derived across four categories of metrics: return on investment and general business, cost reduction/IT, employee productivity and business agility, and business process improvement/workforce mobility.

The results of the survey are summarized across 16 metrics that you can use as benchmarks for your own deployment objectives.
