

# CERTIFICATE OF REGISTRATION

## Business Continuity Management System – ISO 22301:2019

Coalfire Certification, Inc. certifies that the following organization operates a Business Continuity Management System (BCMS) that conforms to the requirements of ISO 22301:2019 per the scope and boundaries statement detailed below:

<b>COMPANY:</b>	RingCentral, Inc.	<b>ADDRESS:</b>	20 Davis Drive Belmont, CA 94002 United States
-----------------	-------------------	-----------------	------------------------------------------------------

### Scope:

The certificate scope comprises the Business Continuity Management System (BCMS) supporting the technology, processes, and operations underlying both the MVP (Message, Video, Phone) product, previously known as the RingCentral Office, RingCentral Video and Engage Products (Engage Voice and Engage Digital) product offerings. The organizational scope includes the Executive Leadership, Chief Information Security Office, the Chief Information Office, Cloud Operations, Product and Technology, Legal, Chief People Office and Chief Digital Office teams affecting the Business Continuity Management System.

### Original Registration Date:

May 6, 2022

### Certificate Issuance Date:

May 6, 2022

### Expiration Date:

May 6, 2025

ON BEHALF OF COALFIRE CERTIFICATION, INC.

David Forman, Director of Coalfire Certification, Inc.

This certificate relates to the Business Continuity Management System, and not to the products or services of the certified organization. The certification reference number, the mark of the certification body and/or the accreditation mark may not be shown on products or stated in documents regarding products or services. Promotional material, advertisements or other documents showing or referring to this certificate, the trademark of the certification body, or the accreditation mark, must comply with the intention of the certificate.
