

RingCentral for Canvas

Take control of your RingCentral Video meetings without ever leaving your Canvas learning management system.

RingCentral for Canvas makes it very easy to schedule and manage RingCentral Video meetings within Canvas natively. Evolve your online courses, virtual office hours, and study group sessions into a collaborative learning environment with easy one-click access to RingCentral Video meetings. With RingCentral for Canvas, instructors and students can seamlessly schedule, join, and manage all their meetings in one place.

FEATURES

RingCentral for Canvas for instructors can:

- Schedule meetings
- Schedule recurring meetings and edit the series as needed
- Delete scheduled meetings from Canvas
- Initiate a meeting
- View upcoming meetings
- View previous meetings

RingCentral for Canvas for students can:

- View upcoming meetings
- Join a meeting
- View previous meetings

BENEFITS

Hold virtual office hours any time, any place

Schedule meetings as recurring to set consistent office hour sessions. Require a meeting password for private one-on-one meetings.

Elevate your online study sessions

Students can access RingCentral meetings directly from their Canvas account to view upcoming and previous class meetings and topics. Assign and manage your students' virtual study groups. Simply enable the join-before-host function to allow students to collaborate together on RingCentral Video meetings.

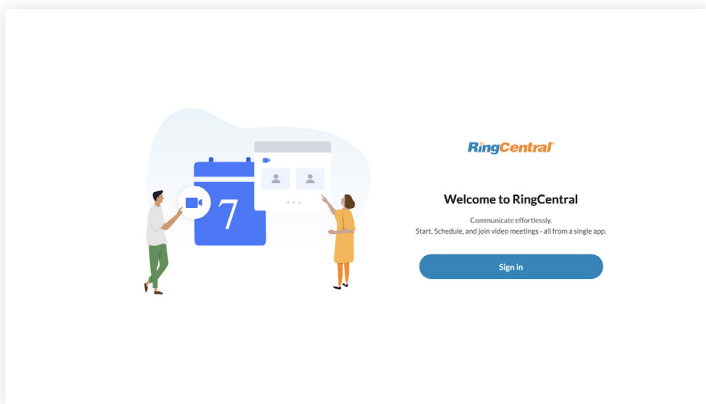

Streamlined lesson management

Use the upcoming and previous meeting tabs to measure what lessons have been covered, and what lessons need attention. Get a 360 view of your virtual classroom's interactions including the title, duration, and date/time of each meeting scheduled.

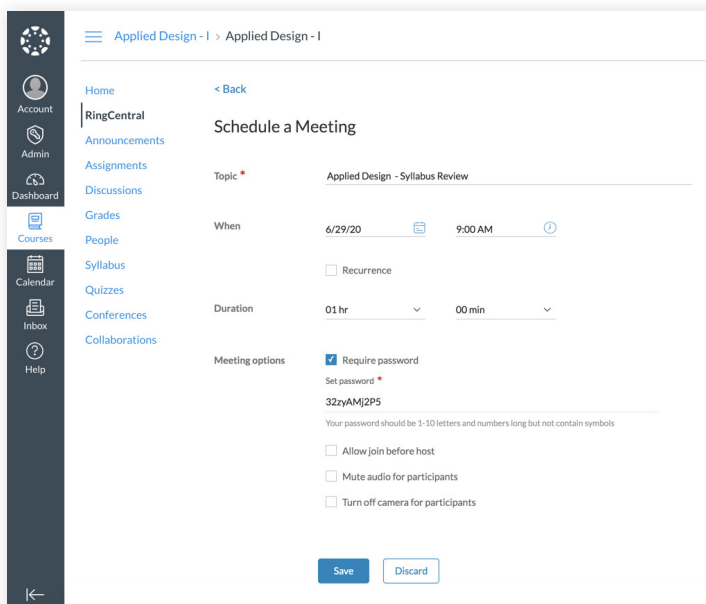

HOW IT WORKS

Once installed, RingCentral is native to your Canvas learning management system. With access to the RingCentral tab, you'll never miss an important meeting ever again.

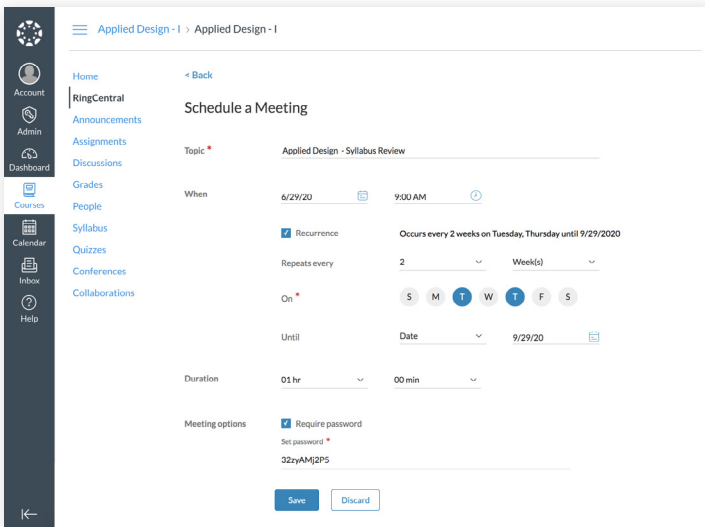

Log in

Navigate to the RingCentral tab and hit **Sign In** to connect your RingCentral account to Canvas.

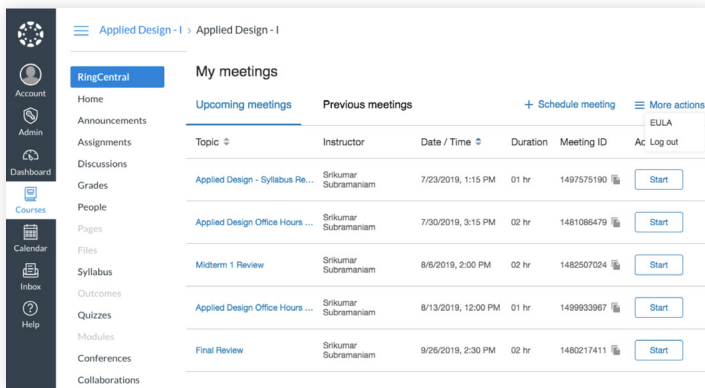

Schedule meetings

Set your meeting parameters, choose your video, audio, and meeting options, and hit save to schedule the meeting.

Schedule recurring meetings

Set meetings as recurring and schedule meetings on a daily, weekly, or monthly basis. Have the option to edit a recurring meeting by clicking on the meeting in the **My meetings** tab.

My meetings tab

Get a complete view of your upcoming RingCentral meetings in the **My meetings** tab. Choose to start, edit, or delete your meeting from this view.
