In today's workplace, employees use an array of apps to work faster and smarter. But as apps proliferate exponentially, they're ironically making work more disruptive, and costing companies billions.

Workplace apps are meant to foster collaboration, but workers around the world are frustrated with the head-spinning array of communication channels.

App overload isn't just about the number of apps — it's the broken flow, too.

Wasted time at work costs billions of dollars a year.

66% of workers want a single platform for all their communications.

Workers believe a unified platform will help them:

- Achieve a better workflow
- Be more productive
- Work better with colleagues
- Keep work feel less chaotic

54% of workers spent a single platform for all their communications.

Workers can save an average of 4.5 hours of communication at work.

The cultural change in the workplace is in full swing, moving towards a single communications platform that promotes workplace zen and productivity.

Top five benefits of an integrated approach:

- A feeling of control over work
- Help work feel less chaotic
- Better communication with colleagues
- Increased productivity
- Increased organization

A GLOBAL FEELING OF FRUSTRATION

Workplace apps are meant to foster collaboration, but yet, workers around the world are frustrated with the head-spinning array of communication channels.

10% of workers find their communications volume challenging.

Workers believe a unified platform will help them:

- Achieve a better workflow
- Be more productive
- Work better with colleagues
- Keep work feel less chaotic

10% of workers find their communications volume challenging.

- A feeling of control over work
- Help work feel less chaotic
- Better communication with colleagues
- Increased productivity
- Increased organization

ONE PLATFORM TO RULE THEM ALL

From the ashes of a broken system, a unified experience shall rise.

Workers can save an average of 4.5 hours of communication at work.

Workers believe a unified platform will help them:

- Achieve a better workflow
- Be more productive
- Work better with colleagues
- Keep work feel less chaotic

ZEN ACHIEVED

The cultural change in the workplace is in full swing, moving towards a single communications platform that promotes workplace zen and productivity.

Top five benefits of an integrated approach:

- A feeling of control over work
- Help work feel less chaotic
- Better communication with colleagues
- Increased productivity
