

Credit Card Identity Verification Form

Your completion of this verification form helps us confirm and identify you and your company. RingCentral UK will use this information in accordance with RingCentral Privacy Notice <https://www.ringcentral.com/gb/en/legal/privacy-notice.html>, solely for the purpose of verifying your identity and preventing fraud to comply with our legal obligations and to pursue our legitimate interest to protect our networks and services.

Instructions:

1. Complete all the fields on this page.
2. Make a copy of the front and back of your credit card and your driver's license or passport.

Note: The Credit Card owner name and the name on the Identification card must match.

For your protection, please follow the instructions below regarding personal information:

■ Credit Card Instructions:

Cover the middle numbers on the front of your credit card allowing visible only the first 6 and last 4 (see image below). Also, cover the CVV (card security code) located on the back of MasterCard and Visa cards, and on the front of AmEx cards (see image below).

■ ID/Passport Instructions:

Cover your Identification Number and Date of Birth, allowing visible only your Full Name and Expiration Date.

Make a copy of your Credit Card in the spaces below. Use a light setting on your copy machine to ensure the card number and name are visible. Cover the middle numbers on the front of your credit card. Illegible images will not be accepted.

Front of your credit card
(Visa, MasterCard, American Express)

Back of your credit card
(Visa, MasterCard, American Express)

Print only the first 6 and the last 4 digits of the Credit Card: _____

COVER THE CVV Number

For Visa and MasterCard, the CVV numbers are the 3 digits that appear at the end of the credit card number on the back of the card. For AMEX, it's the 4 digit code appearing on the front of the card.

Copy your driver's license or passport in the space below

Current driver's license or passport

Examples

Front of Visa / MasterCard

Front of AmEx Credit Card
